

## The Camper Experience

- ◆ This outstanding learning camp is offered throughout the year, providing families several opportunities to enroll their student –not limited to summer-only.
- ◆ PCP ELL educators all have extensive professional experience in providing effective language acquisition for learners of all language levels.
- ◆ Learn English, and get expert college prep counseling from top college counselors in their field.
- ◆ ELL courses taught in English, for more proficient learning for all campers.
- ◆ Speaking, writing, and comprehension curriculums that are engaging and interactive for faster mastery of the English language.
- ◆ SAT/ACT curriculum provided, to prepare your student to gain college acceptance to a top university of their choice.
- ◆ Beautiful 18 acre campus, on historical college campus, with collegial feel which mirrors the PCP approach to education.
- ◆ Progress reports provided to all parents, noting the language gains for each camper, at the conclusion of their camp experience.

## Campus Living Space

Campers live in spacious modern dorm rooms with ample storage areas for belongings and large comfortable common area. Each dorm has clean interior bathroom facilities. Two campers per room.

## Food

Healthy, great tasting, hot and cold food choices are offered at every meal. Plenty of vegetable choices, a salad bar with fresh seasonal fruits, and healthy protein options are available for lunch and dinner. All food is prepared on-site to maintain high nutritional content. Picky eaters and most dietary needs can be catered for.
